

The super fast and affordable dedicated laser fax for the office.

**Essential**

The imageCLASS FAX-L150 is perfect for the small office and business user. Printing at a quick 18 pages per minute and with a fax memory of 512 pages, you will never again miss that crucial fax. Coupled with some power saving features such as on 'demand fixing', you can rest assured that your fax is not a drain on your funds or the environment when it is not active.

## Key Features

### Compact & Stylish Design

- Featuring a small footprint of just W372 x D483 mm
- Small enough for any home or office space
- 30% reduction in footprint compared to previous FAX-L140

### High Performance Printing System "UFR II"

- Equipped with Canon's latest High Performing Printing System "UFR II" (Ultra Fast Rendering Version II), the FAX-L150 can deliver high-speed printing because it works together with the processing power of your PC to process large amounts of data quickly - so there is no need for additional memory.

### All-in-one cartridges

- The Fax-L150 utilises an all-in-one cartridge which means that the Toner, Photosensitive Drum, and Waste Toner Container that are normally individual consumables, are all combined, meaning less consumables to stock and less fuss and also saves you money in the long run.

### Low Power Consumption and Quick Start Up

- By adopting Canon's unique On-Demand Fixing System, the FAX-L150 achieves low power consumption and quick start-up. This enables instantaneous heating of the fusing heater only before printing, saving warm-up time. The FAX-L150 is always ready to print.

### Quality images

Brilliant quality B&W printing equivalent to 1200 x 600 dpi using image refinement

### Fast Printing

Prints up to 18ppm mono

### 5 line LCD

For ease of use, the FAX-L150 comes with a class leading 5 line LCD screen

### Fast Data Processing

Uses Canon's unique Hi-SCoA compression technology for super fast print data processing.

### Instant Warm Up

No waiting around for prints - printing takes 0 secs from stand-by mode

### Easy Maintenance

All-in-one cartridge system, meaning easy maintenance with only 1 consumable to stock - drum, waste toner box all integrated into the
